About Me

I am a dynamic and ambitious web developer with skills in building web applications. I hold a diploma in full-stack web development and received additional training from the Azrou Center for Community Development. I am seeking opportunities to apply my skills and contribute to a motivated and collaborative team.

Education

Web Development Training

Azrou Center for Community Development – Azrou
2024 - 2025
Intensive training program focused on modern web technologies.

Full Stack Digital Web Development Diploma

Specialized Institute of Applied Technology – Ifrane (OFPPT)
2022 - 2024

Comprehensive program covering front-end and back-end development.

Baccalaureate in Life and Earth Sciences

Qualifying High School Sidi El Makhfi
2021

High school diploma with a focus on science.

Experience

Web Development Intern

Al Akhawayn University
June 10, 2025 – July 10, 2025
Hands-on experience in developing and improving web applications.

Web Development Intern

Municipality of Sidi Mokhfi
March 11, 2024 – April 11, 2024
Applied technical skills in real projects and collaborated with a development team.
